

FISCAL NOTE

HB 2935 - SB 3085

March 17, 2006

SUMMARY OF BILL: Authorizes proceeds from the disposal of surplus textbooks to be used for school literacy programs as well as supplementing textbook purchasing funds.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures – Not Significant

Assumptions:

- LEAs would not require additional resources to carry out the provisions of this bill.
- The provisions of this bill would authorize the use of these funds to also be used for school literacy programs, but would not prohibit such funds from continuing to be used to supplement textbook purchasing funds.
- Many of the LEAs are currently offering these funds to programs such as Even Start, One-Room Drop-in-Schools (ORDIS), Family Resource Centers and Title I.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James W. White". The signature is fluid and cursive, with the first name "James" written in a smaller, more compact script than the last name "White".

James W. White, Executive Director
